ROXETH PRIMARY SCHOOL

In January 2013 prior to the announcement of the School Sports funding we had moved to identify the need to skill up staff and teachers to deliver a better quality of offer in sport; to this end we advertised and recruited Adam Clark to the post of Sport Leader at Roxeth. He works alongside teachers to deliver lessons, across the school day at unstructured time to encourage positive play and coaching skills and also offers after school activities. Adam has brought a vast knowledge and background of working in a range of sports and is keen to further his career by applying for the Schools Direct programme in the future. He quickly became popular with staff and pupils and has led the teams here in local inter school and borough sporting events and set up the first Interhouse cricket tournament this year.
