December 2019

CHRISTMAS MESSAGE— As we approach the end of the year, we would like to thank you for your continued support to our school. You have supported us with many events and we look forward to welcoming you to many more next year.

We have lots of great achievements this year, including being judged 'Good' by Ofsted. Your Ofsted feedback means a lot to us including Roxeth being 'a wonderful community' and 'a fabulously good school'. Other comments noted by Ofsted include the overwhelming majority of parents would recommend the school to others. We thank you for your support to our staff and school.

We have said some sad farewells to Ms Day and Mrs Hemant who have both moved on to different schools for new opportunities.

We hope you have a wonderful break, to those celebrating a Happy Christmas and a joyful New Year. We look forward to welcoming you back to school in the New Year. Best Wishes from the SLT Team

YEAR 6R VISIT KEW GARDENS—Year 6's trip this half term was to Kew Gardens which was based around our topic in Science 'Living things and their habitats.' The children have been learning about classifying animals and plants which they were able to do with a range of exotic plants in Kew Gardens. The children thoroughly enjoyed exploring the gardens and comparing the different features of plants and trees.

ReGen Assembly -an amazing production of the first Christmas with a modern twist., highlighting the importance of love and family. ReGen is a Christian Schools' Trust and has been working with schools across Harrow since 1984 and a firm favourite at Roxeth school during Easter and the Christmas season.

JUST ONE TREE—Roxeth managed to raise a whopping £437.30 for Just One Tree to help with reforestation for a better environment for us all. This means that our school will donate towards 437 new trees being planted to help us have a better environment! Thank you to all parents and children for your donations!

HARROW 5s-Year 6 were given the fantastic opportunity of attending Harrow School and taking part in Eaton Fives which is a sport very similar to squash. The children were able to take advantage of Harrow School's courts and the Harrow boys were fantastic teachers who ensured each child was engaged.

6K Visit Kew Gardens -Year 6 experienced a day out at Kew Gardens on Monday 2nd December. As well as enjoying the many plant species on offer, they also took part in a workshop, linked to their Science topic. They became Plant Hunters – attempting to find, name, sort and classify an amazing array of plant specimens.

RSA CHRISTMAS FAIR— Thank you to all those parents who supported Roxeth by donating gifts, buying raffle tickets offering their time, or who just came to the Christmas Fair to help raise funds for our school and children. Special thanks to Santa for taking the time to spread some festive cheer!

GURU NANAK ASSEMBLY—Year 5 students Harjot and Banit led an assembly marking the 550th birth anniversary of Guru Nanak, founder of the Sikh religion. This year it was celebrated by Sikhs throughout the world on the 12th November. Guru Nanak was born in North Punjab (now Pakistan). Harjot and Banit explained that when Guru Nanak was 30 years old he mysteriously disappeared for 3 days. When he reappeared, he began to preach and teach the principles of the Sikh religion, which is the belief in one God, everyone is equal, your actions are important and you should lead a good life. Banit and Harjot told us how they celebrate the special birth anniversary by going to the Gurdwara, meeting up with friends and family and eating a variety of delicious foods.
