Bigfoot Anti Bullying Week Assembly and Workshops

Children watched a fantastic professional production that was all about bullying. During assembly and workshops the children were encouraged to join in and left with some important messages to take away and think about.

Roxeth Cricket Team

The Roxeth 2 Team played their first Indoor Cricket match in the Cluster League on the 6th November 2017. They battled hard and learnt a lot, but were beaten by Norbury. The team were: James, Angelina, Samantha, Oscar, Reza, Younas, Karen and Emily.

Building Harrow School links

As well as supporting a home learning after school club, Harrow School are now hearing the children read every Wednesday afternoon. I would like to say a huge thank you to the school and the boys for their support with helping the children's learning.

Y6 with the Harrow Boys, this time learning the game of Fives.

Year 6 children are visiting Harrow School every week to experience the facilities and teaching. This is a fantastic opportunity for children to learn using a high tech science lab and to learn a new game called 'fives' and develop their skills .

Positivity Workshops Year 4 On Friday 24th November, Year 4 went on a voyage through the Seas of Positivity. "I learnt the importance of positivity. It can bring people together."

Children in Year 5 were investigating which solutions dissolve and which ones don't. They had a great time. Lots of scientific vocabulary used.

Parent Reminder - Let me please remind you that the main doors to the school are **not** opened until 8.40am. Please supervise your children in the playground until this time.

Year 5 visited the Victorian school in Hitchin. This gave them the opportunity to experience life as a Victorian school child by participating in a school lesson taught by a Victorian teacher. This involved writing on a slate with a slate pencil, using an ink pot and pen and they also learnt how children were disciplined. e.g. Dunce's hat and cane. They were then shown around the Victorian Headmaster's house. They explored the different rooms and learnt about the lifestyle of professionals during this era. Finally, they played with different Victorian toys (that were not electronic) and had a blast!

Brush away! Twice a day for 2 minutes. A visit from Revital Dental Care showed children how they can look after their teeth.

Reception Class learning British Sign Language. Trisha taught us some colours and we learnt a Rainbow song signing along.

Rollerdome After School Club

Rollerblading club is now up and running. Children have been developing their basic skills throughout the weeks and will soon be whizzing around the hall. Roxeth will be introducing more after school clubs during spring term.

RSA update

The disco evening for the children was a great success and raised a healthy profit of £468. Thank you to all the parents who supported this event. The RSA have continued to be busy and organised the recent Christmas Fair. As you know all of the money raised goes to projects like buying our own school minibus and purchasing technology for our children. A massive thank you to all those parents and staff involved with the RSA for making these events a great success!!

SPRING Term 2018

- 4&5 January 2018—Staff Development Days, school closed for pupils
- 8.1.2018 –Pupils return to school

RSA CHRISTMAS FAIR - Another well organised event by the RSA was a fantastic success. We raised £1388!! During the event we had Christmas songs, meeting Santa, popcorn, toy stalls with many other activities and things to buy. I would like to say a HUGE thank you to all the RSA members and parents that helped to support the event and raise money for the school.

Road safety workshop

As part of our commitment to keep the children safe at Roxeth the children all attended a road safety assembly. Again this was very interactive for the children with many of them playing the roles of cars and holding Zebras! (crossing).

Parent Volunteers For Our Garden

We are still looking for parent volunteers to help develop the garden areas for our children. If you can help, even for a short time, please contact the school office.
