July 2018

YEAR 6 REGEN VISIT: Year 6 started off the month of July with a visit from RE:GEN who provided an hour transition workshop called 'It's your move'.

Our visitors delivered a lesson for each of the year 6 classes: reflecting on the Challenges, Choices and Changes of moving up to secondary school.

There were quizzes, role plays and games to teach the children the importance of making good friendships and being responsible citizens in their new High Schools.

The children had a great time and each got a survival guide, which will help them to continue to learn at home and prepare for the exciting move to Year 7. A big thank you to RE:GEN who provide the workshops and magazines all for free for our Roxeth pupils.

Value of the month

COURAGE

- * Willing to confront difficult situations
- * Carry on when something gets hard
- * Being strong when you are worried

Article 24 - We have the right to drink water and eat nutritious food in a safe environment.

GOOD BYE & GOOD LUCK: Roxeth would like to say good bye to 4 longstanding members of staff at the end of this academic year. Mrs Arthur, Miss White and Mrs Majeed will be moving on next year. I would like to thank the teachers for all their hard work and devotion over the years to Roxeth Primary School. They have helped many children grow and learn over the years. I would like to wish them all the success and happiness in the future. Mrs Anand will also be leaving us. She has been at Roxeth since 1991 as a member of the SMSA team. The school would like to wish Mrs Anand a restful and well deserved retirement. We would also like to say good bye and good luck to Mr King who is moving on to work at Whitmore High School. We wish him every success.

We welcome two new members of staff to Roxeth for September. Miss Ryan and Miss Brazil will both be working in Year 5 and will be a fabulous addition to the staff at Roxeth.

URGENT SAFEGUARDING NOTICE FOR PARENTS— Please be advised that children should not be in the school grounds before 8.30am, unless they are attending our Breakfast Club. Also the children are not permitted to play any ball games or use the climbing frame for their safety as there is no school supervision at this time.

Y3 African Drumming— We have had a fantastic opportunity to learn about the music and culture of a West African country—Ghana. Okote and Tammy from Harrow Music Services have been teaching us how to sing some Ghanaian songs, play African drums and even learn some great African dancing. We had great fun showing off our new talents to parents and pupils

NONSENSE POETRY— 4 BM have been working on nonsense poetry. They had great fun performing Jabberwocky by Lewis Carroll.

AUTHOR VISIT— Pete Johnson the well known children's Author, visited our school and gave a brilliant workshop to Years 4 & 5. He spent time signing children's books after school.

Article 24 - We have the right to drink water and eat nutritious food in a safe environment.

Y5 BREAD MAKING—We have researched breads from Italy. Children created recipe cards for their choice of Italian bread and baked these in school. It was great fun!

SCIENCE INVESTIGATION — 5A Investigated the eight phases of the moon. Children then showed their understanding of these on Oreo biscuits by showing the 8 phases. Once they could name all the 8 phases, they earned to eat the Oreo's.

MUSIC EXTRAVAGANZA— What a fantastic performance again this year. Thank you to all of the Year groups who took part. We had some fantastic violin and drum performers. It looks like we have some real stars in the making!

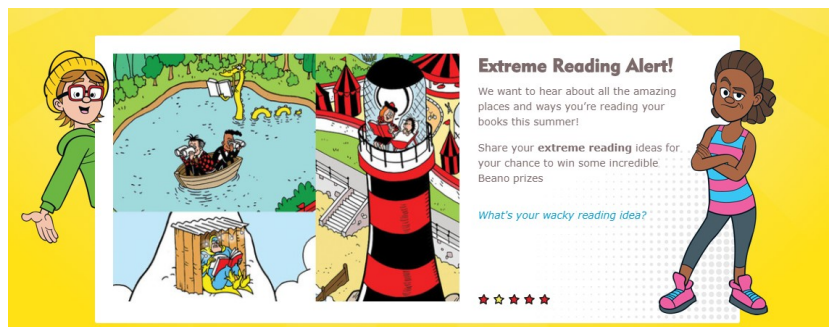

SUMMER READING CHALLENGE— The Summer Reading Challenge takes place every year during the summer holidays. Children can sign up at the local library, then read 6 books of their choice to complete the challenge. There are exclusive rewards to collect along the way and it's FREE to take part.

GIVE IT A GO!

Y5 Cinema Trip , English, PE & PSHE— This term, Year 5s based their learning on the film ' The Greatest Showman'. In comprehension, we looked at the lyrics of the song 'This is me' and realised what an important message it held. Our PE unit was dance, so we spent time creating dance routines which has been very exciting and engaging. In PHSE, we discussed how people are different, how they cope with their differences and how they deal with people's attitudes towards them. This movie taught us a lot about self esteem. We then had the opportunity to watch the film in the cinema. This was a great way to consolidate our learning.

Alliance in Partnership

We are delighted to be awarded the catering contract for your school starting from September 2018.

Alliance in Partnership specialises in Education Catering and have been based in the Midlands since 1998.

We will be offering a wide selection of homemade food for lunch ensuring the food is of a very high standard to ensure all students and staff enjoy the food and service.

We will offer theme days as the year progresses along with a few Show Case Chef Events. Menus will be advertised on the school website soon to give you a flavour of things to come.

If you have a requirement for an allergy menu, please complete an allergen form and send to Amy Teichman at allergens@ainp.co.uk. Allergen forms will be available to download from the school website.

From September 2013 the DfE has amended the 2006 attendance regulations removing references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted. We understand that there may be exceptional circumstances which may necessitate a longer absence for an agreed period, but this is also discretionary. The Headteacher will review the child's attendance records in making this decision. If you wish to take your child away during term time please make your request to the Headteacher by completing the appropriate form in advance so that this can be considered. Leave taken without permission will be recorded as unauthorised or may result in a penalty notice being issued.

Mathletics

Keep track of your child's maths progress

Dear Parent or Guardian,

Your child is using Mathletics as part of their mathematics program at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards. Your child has take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device.

The extra Mathletics practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

▶ Sign up for FREE progress updates in 3 easy steps:

- 1 Visit www.mathletics.com/parent
- 2 Complete the form and click "submit"
- 3 Look out for a weekly progress email in your inbox at the beginning of each week.
