

The parts of a simple flower

|               |                 |                   |
|---------------|-----------------|-------------------|
| <b>Petal</b>  | <b>Ovule</b>    | <b>Receptable</b> |
| <b>Pistil</b> | <b>Style</b>    |                   |
| <b>Anther</b> | <b>Filament</b> | <b>Stamen</b>     |
| <b>Sepal</b>  | <b>Ovary</b>    | <b>Stigma</b>     |

**TASK 2:**

Watch this video about what plants need to grow and live  
<https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zcmtk2p>

**Create your own plant which grows on the island in The Tempest. Make it as imaginative and magical as possible**

**WHAT IT LOOKS LIKE ARE ENTIRELY UP TO YOU- THINK ABOUT SHAPE/  
COLOUR/SIZE....**

**Label how and where it gets what it needs to grow and survive.**
