Counting Up in Tenths

The rectangle has been been divided into ten equal parts. These are fractions of the whole and they are called tenths.

Task: Write the number word and the fraction in the table below. The first one has been done for you.

						_				
									one tenth	¹ / ₁₀
								_		
									i	
								_		
								Ī		

Can you count up in tenths? Practice counting up in tenths.

Counting Up in Tenths

Task: Complete the table below, colouring in the correct number of tenths and writing the words and fraction numbers in the boxes.

								one tenth	1/10
								two tenths	
 •		ı		.		1		:	·
			1	.				:	·· ·
		ı	1	Г		ī			
				,	,	1	 :		
									⁶ / ₁₀
·		Г	1	Г	г	1	 :		
								seven tenths	
			1	,					
	•	Г	1	Г					··•
		Г		Г		ı		:	
									$10/_{10}$ = 1
