Welcome

4K, welcome to Year 4! My name is Mr Karaiskos and I'll be teaching you from September, with Ms Roberts - we are looking forward to an exciting year. There will be lots of challenges, but hopefully plenty of fun too! Mrs Flashman has told me lots about you all, so I can't wait to get to know you better when we start the new school year together. Until then, I wish you a great Summer holiday,

Mr Karaiskos
