

Welcome to Year 6

6P

6B

Hello 6B, We are SO happy and excited to have another year with you all, after this year was cut short! We were glad to see and catch up with most of you at the Pupil Consultations or on PurpleMash. We hope you have a lovely summer and look forward to welcoming you back in September in our new classroom.

Summer Project

We would like you to create a booklet about your experience during the coronavirus pandemic. You can choose to write a story from your perspective, diary entry, poems including your own illustrations or photographs.

Things to include:

- Did you decorate your house with rainbows in the window?
- Did you clap for our carers on a Thursday?
- Is there anything you took for granted or missed most?
- What have you learnt from this experience?
- How would you change your outlook for the future?
- If you were our Prime Minister Boris Johnson, how would you have handled the crisis?

Your booklet must contain at least 5 pages, your best handwritten work, your own illustrations (but you can have some printed pictures too), capital letters and full stops.

Any other questions message us on PurpleMash.
